### TUESDAYS 230PM-330PM

**ArstCool Art Education** is a new arts education program designed for elementary grades. Kids learn about artists and artistic techniques for painting, sculpture, drawing and collage, along with the Visual Thinking Strategies to help them analyze, compare, and discuss artists and the art they create. We study an artist each week with time to create our own artistic impression of what we study.

Tuition is \$106 (includes materials) for an 8 week session.
