**Choi Kwang-Do** classes provide a uniquely well rounded martial arts and fitness program. In our classes, students develop confidence, self control and discipline while improving both physical coordination and the ability to follow instructions. Quick paced, fun-filled classes teach our students about respect, courtesy and self-defense while enjoying a sense of achievement.

Designed with health and safety in mind, it is our goal to guide and encourage each student to develop his or her full potential in a positive, non-competitive and **FUN** atmosphere.
